

Baptist Memorial Health Care, Memphis, Tennessee – Expense Navigator

Consumers can use the free, online Expense Navigator form to estimate out-of-pocket costs associated with a health care service.

The estimated costs provided do not include physician charges (for example, pre-procedure office visits, surgeon, anesthesiologist, radiologist, pathologist, consulting physicians, emergency room physicians, etc.). The estimated cost is not a guarantee of insurance coverage. Consumers are encouraged to check with their insurance company to best understand benefits for the service chosen.

Estimate Your Out-of-Pocket Baptist Medical Expenses

When it comes to health care, finding out medical costs can be complicated.

At Baptist, we're trying to make things a little easier to understand. That's why we built [Expense Navigator](#), an out-of-pocket medical cost estimator tool.

Expense Navigator is a key step in Baptist's effort to become a leader in price transparency in U.S. health care. Use the medical cost estimator tool to estimate your out-of-pocket medical costs for hundreds of hospital inpatient or outpatient procedures. Get a customized estimate for your care at Baptist Memorial Hospital-Memphis or 13 other affiliated hospitals in West Tennessee, North Mississippi and East Arkansas. Whether you have Medicare, other insurance or are uninsured, the Expense Navigator can help you better plan for your Baptist medical expenses.
