

## FAIR Health, National – Consumer Cost Lookup

This medical cost estimator lets consumers estimate the cost of thousands of medical procedures, searchable by zip code. It is designed to help consumers plan for expenses, and also shows how much patients are likely to pay if care is needed while uninsured.

The screenshot shows the FAIR Health Consumer Cost Lookup website. At the top, there is a navigation bar with the FAIR Health logo and links for 'ABOUT FAIR Health', 'GLOSSARY Of Terms', 'HEALTHCARE Resources', 'LEARN Reimbursement 101', and 'FAQ Questions?'. Below the navigation bar, there are social media sharing options for Facebook (670 likes), Twitter (19 tweets), and Google+ (22 +1s). The main content area is titled 'FH MEDICAL COST LOOKUP: GET STARTED' and includes a brief description of the tool. The interface is divided into three steps: Step 1: 'Enter the location of your service or procedure?' with a text input field for 'zip code or (city, state)'. Step 2: 'Are you: Insured or Uninsured?' with radio buttons and a 'Why is this important?' link. Step 3: 'Procedural CPT Code?' with a 'Quick Search: Enter up to 5 CPT Codes' input field and a 'GO' button. To the right of the steps is a 'Keyword Search' box and an illustration of surgeons in an operating room. Below the illustration is a section titled 'Estimate Your Medical Costs' with text explaining the tool's purpose and a link to 'medical procedures'.
